In the City, our 1.7 million sq ft of real estate includes the award-winning New Ludgate scheme, and the landmark 20 Fenchurch Street. In the West End, our expertise in placemaking and public realm has seen the transformation of Victoria, SW1 into a vibrant destination that is attracting global businesses and visitors alike.

In Retail, our commitment to creating an outstanding consumer experience, combined with the strength and resilience of our 17.5 million sq ft of assets, means we provide the space where consumers want to shop and retailers want to be, both now and in the future. Our focus on collaborating with our retailers and anticipating consumer needs not only delivers an unrivalled experience for our customers, but our footfall and sales figures consistently outperform the industry benchmarks.

Whether in offices or retail, sustainability is key to everything we do. For us, being a sustainable business means ensuring Land Securities remains healthy and successful for years to come. To achieve this we need the support of our customers, communities and partners. That's why we lead the way on sustainability in the UK listed real estate sector by focusing on three key areas: creating jobs and opportunities through our award-winning Community Employment Strategy, which has put 779 disadvantaged people into employment since 2011; efficient use of natural resources; and sustainable design and innovation.

Land Securities delivers value for our shareholders, great space for our customers and positive change for our communities.
